

## Fostering Connections Youth Application

The goal of Fostering Connections is to create a life-long mentor connection with you and a positive role model in the community who can help you as you transition into adulthood. Adult life can get a bit rocky. It is a great feeling knowing that you can call someone to help you navigate beyond obstacles. This is a fun thing; there are no guidelines to having fun! You and your matched mentor decide where to meet and what you would like to do. Go to the beach, learn to paint or drive a car! We want to match you up with someone who has similar interests and hobbies. Please provide information about yourself including what you like, dislike, rules you may have, hobbies that occupy your free time, and anything else that may aid in the best possible fit.
